RE: 2013-2014 MEMBERSHIP MATERIALS

Summer is about over and once again it is time to begin the membership renewal and enrollment process. Please review all the materials included in your packet. You should find the following:

- a) 2013-2014 Membership & Dues Transmittal Form
- b) 2013-2014 NEA-FUND Contributors Form
- c) Large white envelope to use to return membership materials to NSEA
- d) 10 dues remittal return envelopes
- e) Memo regarding IRS 990 Electronic Filing
- f) Dues Transmittal Agreement

Important Reminder!! All of your membership materials - including your updated membership roster and Dues Transmittal Form are due to NSEA by September 10, 2013.

When the 2013-2014 membership campaign has ended, you are responsible for gathering all the materials and preparing them for transmittal to NSEA. In your packet you will find everything necessary to complete this task.

In large locals where the cost of mailing would be prohibitive, notify your UniServ Director and they will pick up the materials when you are ready.

See page 2 to find step-by-step instructions for remitting your membership materials.
