

**Product Endorsement and Funding Request Committee
Of the NSEA Board of Directors**

Deb Rasmussen, Lincoln, Chair

The Product Endorsement and Funding Request Committee of the NSEA Board of Directors is responsible for reviewing and recommending products and services that satisfy NSEA standards.

The committee shall be presented information and compile research on said products, services, or funding requests and shall take favorable recommendations to the NSEA Board for approval. No products shall be considered that are in conflict with current products offered by the NEA Members Benefits program.

As of Monday, March 3, 2014, there had been no requests for funding for the committee to consider this year.
