

**2015 Report of the Bylaws and Policy Committee  
To the NSEA Delegate Assembly**

**By John Heineman, Lincoln Education Association, Chair**

The NSEA Bylaws and Policy Committee continues to refine and update the NSEA Board Policy Book. This completed document has been added to the nsea.org website for quick reference by all members of the NSEA Board of Directors.

The committee reviewed two Bylaw proposals, one from the Ad Hoc EMAC Committee and another from the Ad Hoc Board Structure Committee that will be proposed at the 2015 NSEA Delegate Assembly.

The committee has also been directed to review the Bylaws and policies to see what changes would be needed for a fulltime release NSEA vice-president.

I would like to thank the committee for all their hard work in continuing to peruse our NSEA Bylaws and Policies to keep us current and consistent with all NEA documents.
