

### Conference Objective:

The Ethnic Caucus Symposium is a joint effort to educate our organizational constituency about the systemic patterns of inequity that continue to disenfranchise communities of color in the United States. These practices will be analyzed via three distinct panel topics. Topics include:

1. Defining and Analyzing Institutionalized Racism in Education
2. Analyzing and Organizing Against Societal Patterns of Oppression
3. Analyzing Historical Trauma to Organize Against Institutionalized Systems of Oppression

Following each panel discussion, participants will engage in an Action Planning Session:

- Participants will participate in a Q&A with panelists.
- Participants will collaborate to develop local, state, and national social justice action plans.
