

Since 1994, the Children’s Fund has accepted donations and then sent those funds out to teachers who come across children in need of winter coats, mittens, eyeglasses, snow boots or other necessities that will get them to school and in a position to learn. There is no red tape for teachers making requests, and NSEA absorbs all costs – every penny donated benefits a child. All proceeds from this Dollar Drive will go towards the Children’s Fund - **there is no overhead.**
