

Report of the Bylaws and Policy Committee
Submitted by David Witt, Hastings Education Association

The Bylaws and Policy Committee has been working to update and improve both the NSEA Bylaws and Board Policy. Several recommendations are being brought to the 2021 Delegate Assembly, including:

- Article I, Section 2: Language to update the organizational title SEAN to Aspiring Educators.
- Article II, Sections 2 and 4: Language to change the date that new officer terms commence from August 1 to September 1 and to create a procedure by which candidates for office file nominations by February 15.
- Article III, Section 1: Language to update SEAN to Aspiring Educators and to change the date that new officer terms commence from August 1 to September 1.
- Article V, Sections 2, 3, and 6: Language to update SEAN to Aspiring Educators and to create a procedure by which candidates for office file nominations by February 15.

In addition, the committee reviewed and brought to the board for recommendation a proposed bylaw amendment from NSEA-Retired. The committee has also been working through the chapters of the Board Policy Manual to make style edits, update language to reflect the current titles, expectations, and practices of the organization, and delete obsolete language and forms. This is an ongoing process.
