

**Report of the 2021 Delegate Assembly Planning Committee
Submitted by Emily Tobias, Sargent Education Association,
and Amy Burns, Kearney Education Association**

This year's planning committee started by looking at the feedback from last year's first ever virtual Delegate Assembly.

Most people feel the professional development was very relevant. However, because of the virtual format, professional development will not be offered this year. A keynote speaker will present on Friday night. Another change from last year's virtual format is that the assembly will run a full business meeting.

In February 2021, the NSEA Board of Directors voted to hold Delegate Assembly as a virtual meeting again this year because of the COVID-19 pandemic. With this vote, the committee suspended all further planning responsibilities. The current bylaws state Delegate Assembly has the responsibility to:

- ✓ Vote to approve the audit report;
- ✓ Vote on or set the dues for the 2021-22 Association year;
- ✓ Hold general elections; and
- ✓ Vote on Bylaw amendments

We would like to thank committee members Jenni Benson, Tracy Hartman-Bradley, Kathie Garabrandt, Robin Ankrom, Adrienne Kruger, Sarah Dragon, Mindy Diller, Melissa Boutwell, Renae Noble, Lisa Hanson, Maddie Fennell, Michelle Raphael, Sheri Jablonski, Martha Livingston, Patty Schroer and the rest of the NSEA staff for their commitment and dedication to bringing NSEA members yet another virtual Delegate Assembly.
