

**Report of the Delegate Assembly Planning Committee
Submitted by Megan Simsic and Melissa Boutwell**

The DA Planning Committee met via Zoom to discuss possible locations for the 2025, 2026, and 2027 Delegate Assemblies. The committee heard from NSEA staff member Patty Schroer about three possible locations in Lincoln, Omaha, and Kearney, including the costs and logistics associated with each of these sites. After discussion, the committee made the recommendation to host the 2025, 2026, and 2027 Delegate Assemblies in Lincoln at the Cornhusker Marriott Hotel. The committee also discussed fundraising opportunities to take place during the 2023 Delegate Assembly. Again this year, a ribbon board will be created to engage members while at the Delegate Assembly. District presidents were asked to provide a basket for a raffle during the 2023 Delegate Assembly.
