Scholarships and Grants Committee Report

Submitted by Paul Schulte and Renae Noble

The NSEA Scholarship and Grants Committee met on March 11, 2024, to discuss the future of the NSEA Blue Cross/Blue Shield Scholarships. BCBS donations were being used to fund educational opportunities through the Leading Excellence and Robust Networks (LEARN) 501(c)(3). However, the committee will meet during the summer of 2024 to revise the scholarship application and will promote it during the 2024-2025 association year. The committee also reviewed two grant applications for the Belz/Lunch/Krause grants and awarded a grant to the Omaha Education Association. There were no Richard Halama grant applications.
