Board: The Board of Governors of Western Community College Area in the County of Scotts Bluff, State of Nebraska.

Association: Western Education Association; also known as Nebraska Western College Education Association.

2016 – 2019 NEGOTIATED AGREEMENT

THIS AGREEMENT is made and entered into this _____ day of _____, 2015, by and between the BOARD OF GOVERNORS OF WESTERN COMMUNITY COLLEGE AREA, hereinafter referred to as “WCCA”, and the WESTERN EDUCATION ASSOCIATION, hereinafter referred to as “Association”.

WCCA recognizes the Association as an exclusive and sole collective negotiating representative for all teachers employed by Board for Western Nebraska Community College system.

ARTICLE I COMPENSATION

1. Salary. WEA salary shall reflect the total package increase, including base increase and medical insurance, of 3.5% for the 2016-2017 Contract Year; 3.5% for the 2017-2018 Contract Year; and 3.75% for the 2018-2019 Contract Year. Fifty percent of the salary increase shall be a flat raise for each faculty member and 50% shall be a percentage raise for each faculty member.

Salaries, subject to applicable withholding, shall be paid in twelve (12) monthly installments each year. Except in cases beyond the reasonable control of WCCA, the first installment shall be paid on or before the 21st day of September, 2016, and additional installments shall be paid on or before the 21st day of each successive calendar month thereafter until paid in full unless employment is terminated. The salary increase adjustment shall be determined as soon as it is reasonably possible following the execution of this Agreement by the parties.

2. Overload and Summer School Pay. Faculty members shall be paid at the rate of \$900 per credit hour for overload and summer school classes for the 2016-2017 Contract Year. Faculty members shall be paid at the rate of \$925 per credit hour for overload and summer school classes for the 2017-2018 Contract Year and the 2018-2019 Contract Year.

3. Extra Duty Hourly Pay Rate. Extra Duty Pay is a negotiated item and shall be adjusted and made a part of the current compensation terms. The current pay rate for extra duties outside of normal load and teaching overload is \$28 per hour for work time, as preauthorized by WNCC Administration.

ARTICLE II INSURANCE

1. Health and Dental Insurance. WCCA sponsors group health insurance and group dental insurance plans for its employees through Educator’s Health Alliance (“EHA”) and Blue Cross

Blue Shield of Nebraska (“BCBS”). All employees who meet the eligibility requirements of the plans will be eligible to participate according to the terms of the plan documents.

WCCA shall pay 100% of the annual premiums for Dental Insurance – PPO – 80% A & B with 50% C coverage, for the employee only.

WCCA’s contribution toward Health Insurance is described in Part 2 below.

In the event of termination of the employment of any faculty member, WCCA will provide information on COBRA as required by law.

Information on the current premium rates is available upon request from the Human Resources Office.

2. IRS Section 125 Plan. WCCA sponsors a Cafeteria Plan under Section 125 of the Internal Revenue Code (the “Cafeteria Plan”). All employees who meet the eligibility requirements of the plan may participate according to the terms of the plan document. Participation will be voluntary. Enrollment forms must be completed each year, and are generally irrevocable except as otherwise provided by the Code, Treasury Regulations, and other guidance issued by the IRS.

WCCA will make a contribution of flex-credits to the Cafeteria Plan for each faculty member equal to the cost of family coverage for BCBS PPO \$900 deductible Health Insurance. To comply with the Affordable Care Act (“ACA”), the flex-credits are designated as Category A and Category B.

The amount of Category A is determined by the following formula: (i) the monthly cost of employee only coverage for BCBS PPO \$900 deductible Health Insurance, minus (ii) the amount of employee’s required contribution that satisfies the Federal Poverty Line Safe Harbor in Treasury Regulation § 54.4980H-5, rounded down to the nearest dollar. Category A of the flex-credits may only be used to purchase Health Insurance, Dental Insurance, or Vision Insurance, or as a contribution to the Health Flexible Spending Account. Category A of the flex-credits may not be received in cash.

The amount of Category B is determined by the following formula (i) the monthly cost of family coverage for BCBS PPO \$900 deductible Health Insurance, minus (ii) the amount determined under Category A above. Category B of the flex-credits may be spent on any qualified benefits under the Cafeteria Plan or may be received in cash. Amounts paid in cash are subject to applicable withholding. WCCA and the Association agree to encourage faculty members to contribute any cash not spent on qualified benefits to a retirement plan.

For example, assume the cost of family coverage is \$1,587 per month (\$19,044 per year), the cost of employee only coverage is \$563 per month (\$6,756 per year), and the Federal Poverty Line Safe Harbor is \$93 per month (\$1,116 per year). Category A equals \$470 per month ($\$563 - \$93 = \470) or \$5,640 per year. Category B equals \$1,117 per month ($\$1,587 - \$470 = \$1,117$) or \$13,404 per year.

The flex-credits are available for each month that the faculty member is an employee of WCCA.

3. Life Insurance. WCCA sponsors a group life insurance plan for its employees. All employees who meet the eligibility requirements of the plan may participate according to the terms of the plan documents. WCCA shall provide \$3.00 per month towards the life insurance premium for the employee and his/her dependents. The employee may not elect to receive this amount in cash.

4. Disability Insurance. WCCA sponsors a group disability insurance plan for its employees. All employees who meet the eligibility requirements of the plan may participate according to the terms of the plan documents. Disability insurance shall be employee-funded and required as a condition of full-time employment. Information on the current premium rates is available upon request from the Human Resources Office.

5. Vision Insurance. WCCA sponsors a group vision insurance plan for its employees. All employees who meet the eligibility requirements of the plan may participate according to the terms of the plan documents. Vision insurance shall be employee-funded. Information on the current premium rates is available upon request from the Human Resources Office.

6. Supplemental/Accident Insurance. WCCA allows employees to participate in supplemental/accident insurance plans. All employees who meet the eligibility requirements of the plans may participate according to the terms of the plan documents. Supplemental/accident insurance plans shall be employee funded. Information on the current premium rates is available upon request from the Human Resources Office.

7. Open Enrollment. WCCA and the Association agree to participate in the annual Open Enrollment period offered by the EHA in order to comply with the ACA.

8. Modification of Deductible. If BCBS allows a discount to WCCA upon renewal of the health insurance contract in 2016, the faculty may change the deductible on the health insurance offered by BCBS without reopening negotiations.

ARTICLE III STUDENT ENROLLMENT INCENTIVE

In order to recognize extra work on the part of full-time faculty members who raise the standard class caps in order to accommodate student need during certain terms, those faculty members teaching courses which meet the following conditions are eligible for a stipend to reward their service to students and the institution.

This student enrollment incentive applies to courses with a standard student enrollment cap of 25 students and for courses where physical limitations do not limit enrollment below 35. This incentive opportunity shall become effective August 1, 2016.

Below are the conditions, terms, and procedures:

- A. The standard class cap for academic courses is used as a base for calculation (25 students)

- B. For courses with caps of 25, instructors are encouraged to take the wait list (5 students), making a total of 30 students
- C. If an institutional need exists to enroll over 30 students in the section, the Division Chair, with the knowledge of the instructor, forwards a recommendation to the Dean of Educational Services that the class cap be raised to 35
- D. The Dean of Educational Services signs a formal agreement authorizing the payment of a stipend to the instructor once the total enrollment exceeds 30 students (for those classes designated above and for which a specific authorization request by the Chair has been made)
- E. The Chair files an employee action form requesting the payment on behalf of the instructor and the Dean or Vice President of Educational Services countersigns the request authorizing payment
- F. The incentive is not authorized unless it appears that there exists a reasonable potential to reach the 35, but once the incentive stipend is signed, there is no alternation or consequence if fewer than 5 extra students enroll initially (over the 30) or continue to be enrolled during the semester
- G. No instructor will receive an incentive stipend for having fewer than 30 students in a class, no matter the “normal” class cap (a few courses are set at 22, and some rooms have capacity limitations). Based upon institutional need, the institution may make other arrangements so that the standard capacity student load with a cap of 25 could be accommodated (i.e. move the class to another room), after which the incentive opportunity could apply
- H. Under no conditions can an instructor collect the incentive stipend without preapproval and a signature by the Dean or the Vice President of Educational Services
- I. The incentive stipend total dollar amount shall be calculated at \$200 per credit hour of the course
- J. This incentive applies to for-credit courses only offered via any media or venue, regardless of academic term, or course offering duration (start/stop dates)
- K. This incentive does not alter, abridge, or supersede the right of the college administration to determine and designate appropriate total student enrollment caps
- L. The incentive stipend applies to individual courses and is not correlated with total student enrollment across other courses or limited by the number of classes eligible per instructor

ARTICLE IV RETIREMENT PLANS

1. Retirement Plans. WCCA sponsors the Western Nebraska Community College RA (TIAA/CREF Retirement Annuity) Retirement Plan (the “RA Plan”) and the Western Nebraska Communicate College TDA Retirement Plan (the “TDA Plan”) for the benefit of certain eligible employees. Faculty members who normally work more than 20 hours per week may participate in the RA and/or TDA Plans according to the eligibility determined in the Plan documents. Investments in the RA and TDA Plans are presently held by Teachers Insurance Annuity Association/College Retirement Equities Fund (TIAA-CREF).

2. Matching Contributions. Full-time faculty are required to participate in the RA Plan by contributing either 6.5%, 7.5%, or 8.5% of their regular monthly pay to their individual account. WCCA will match 100% of the faculty employee's contribution as part of the regular monthly contribution.
3. Employer Nonelective Retirement Contributions. Beginning July 1, 2016, the Board shall make Employer Nonelective Retirement Contributions ("ENRCs") to the RA Plan on behalf of all faculty members who have completed their probationary term as defined by state statute.
 - A. Funding for ENRCs for June 30, 2017 – June 30, 2019. WCCA shall establish an Employer Nonelective Retirement Contribution Fund using \$125,000 per Contract Year from the faculty compensation package. These funds shall be outside the compensation package for purposes of computing total compensation and daily rate.
 - B. Funding for ENRCs after June 30, 2019. Unless provided otherwise by a future version of the Agreement between WCCA and the Association, the Employer Nonelective Retirement Contribution Fund shall be funded by contributions from the faculty compensation package in the amount of \$125,000 per Contract Year.
 - C. ENRCs for June 30, 2017 – June 30, 2019. The Board shall make ENRCs as employer nonelective contributions to the RA Plan on behalf of all faculty members who have completed their probationary term as defined by state statute. Each faculty member's ENRC will be equal to his or her pro rata share of the Employer Nonelective Retirement Contribution Fund determined by dividing the faculty member's salary paid during the Contract Year by the salary paid during the Contract Year to all faculty members who have completed their probationary term as defined by state statute. For this purpose, the faculty member's "salary" only includes salary paid during his or her employment after the faculty member has completed the probationary term as defined by state statute. The Board shall make the respective employer nonelective contribution to the RA Plan on or before June 30, 2017, June 30, 2018, and June 30, 2019.
 - D. ENRCs following Termination of Employment. The ENRCs will be contributed to the RA Plan as set forth in Part C for the Contract Year whether or not a faculty member's employment with WCCA is terminated for any reason prior to the respective June 30, 2017, June 30, 2018, or June 30, 2019.
 - E. ENRCs after June 30, 2019. After June 30, 2019, the Board shall make ENRCs as employer nonelective contributions to the RA Plan on behalf of all faculty members who have completed their probationary term as defined by state statute. Each faculty member's ENRC will be equal to his or her pro rata share of the Employer Nonelective Retirement Contribution Fund determined by dividing the faculty member's salary by the salary of all faculty members who have completed their probationary term as defined by state statute. For this purpose, the faculty member's "salary" only includes salary paid during his or her employment after the faculty member has completed the probationary term as defined by state

statute. The Board shall make the employer nonelective contribution to the RA Plan on or before June 30, 2020, and each June 30 thereafter.

- F. ENRCs following Death. If the faculty member dies prior to the date on which the Board makes the employer nonelective contribution to the RA Plan, the Board will pay the amount equal to his or her ENRC in cash to the estate of the faculty member, subject to withholding as required by applicable law.

ARTICLE V LEAVE POLICIES

1. Sick Leave. Provision is made for twelve (12) days sick leave per year, accumulative to ninety (90) days. Sick leave is granted for personal illness, accident or disability (includes pregnancy-related medical conditions); or for serious illness or accident in the immediate family. Immediate family is defined as spouse, parent, parent of spouse, child, brother, sister, brother-in-law, sister-in-law, or grandchild who resides in the same household as the employee. Leave must be approved by through the established reporting channels.

If an employee is required after ninety (90) calendar days to implement the long-term disability plans, the College will grant sick leave up to that date that the long-term disability plan goes into effect. WCCA reserves the right to request a physician's certificate stating that the employee is incapacitated from performing his/her duties for any sick leave taken. In addition, before returning to duty in case of long-term disability, the employee may be required to present a physician's statement stating that he/she is physically able to resume his/her duties.

An employee that is utilizing sick leave is expected to return to active duty when his/her health permits. An employee who makes a request to return to work within sixty (60) calendar days after the termination of the disability will return to his/her prior or comparable assignment, at his/her current rate of pay.

If there is reasonable cause to believe that the employee's health would be endangered by continuing assigned duties, the employee may be required to obtain a physician's verification that he/she is physically able to continue assigned duties.

2. Personal Leave. Personal leave of four (4) days per annum will be allowed to each permanent full-time faculty member for the purpose of transaction of personal business without loss of pay, if approved by the College Administration. Consideration will also be given for bereavement leave to attend the funeral of other family members or close friends.

4. Community Service Leave. From time to time, faculty members are appointed or elected to public service commissions, councils, or elected offices. At the discretion of the College President, up to two days per month may be granted for the faculty member to perform these functions. Faculty members appointed to public service or elected offices that are compensated for such public service will have that amount deducted from WNCC monthly salary.

5. Leave of Absence. At the discretion and recommendation of the College President, WCCA may grant a “leave of absence” of up to one (1) academic year. During such leave, the employee will not accumulate leave (sick leave, personal leave, or community service leave), nor will the employee be entitled to fringe benefits. Leaves of absence shall be without pay. However, the employee may retain health insurance through C.O.B.R.A. coverage as permitted by the College health insurance provider. The employee shall be responsible for the total premium cost during the actual leave. In making a recommendation, the College President shall hold as the primary criteria the instructional needs of the College and the ability of the College to find a suitable replacement. More than one leave of absence may be recommended and granted.

Administrative recommendations shall be based on training, experience, and current industrial wages.

Following the above guidelines, each new hire will receive Five Hundred Dollars (\$500.00) for each year of transferable experience.

Any new hire who will be employed pursuant to a contract for other than 175 days will have their salary calculated in the following manner:

Educational movement between tracks shall be granted upon completion of 12-credit hour increments or equivalent contact hours. Existing tracks shall be kept apart by 12 hours; therefore horizontal movement shall consist of two segments per track, i.e., 6 hours per segment payable at \$750.00 per segment. The last 12 hours of movement shall be applied to horizontal movement only. Horizontal movement will not be granted to employees placed in tracks that require less than a master's degree until specific degree requirements are met for the respective tracks.

WCCA reserves the right to give credit for job related educational movement requests. Lids on compensation for horizontal movement for Tracks H and I are removed.

Removal of this prohibition concerning re-employment does not provide any contract right or guaranty of re-employment after a faculty member retires.

**ARTICLE XII

1. Fair Dismissal. Employee should be notified by the appropriate administrator of inadequate service at the earliest possible time following the contractual violation; hopefully on or before the first week of November for the purpose of correcting the contractual violation that has occurred. On or before the third week in December, an evaluation should take place between the employee and the appropriate administrator to determine if the inadequacies have been eliminated.

**ARTICLE XIII
GRIEVANCE POLICY**

Any grievance shall be made involving any full-time faculty member shall be governed by the Policies and Procedures adopted by the WCCA Board of Governors.

**ARTICLE XIV
RIGHT TO RENEGOTIATE**

1. Right to Renegotiate. In each year, it is understood by and between the parties that the Nebraska State Legislature may, as a result of fiscal concerns, modify state aid to Western Community College Area, which operates Western Nebraska Community College. STUDY OF ACADEMIC CALENDAR**

The Association and Administration shall form a Study Group consisting of four faculty members and four administration representatives to study the following issues:

- A. Evaluate the scheduling process for the academic year, including consideration of retaining the current 16-week semester system, 8-week sessions, 10-week sessions, move to a quarter system, trimester system or any other appropriate schedule.
- B. Evaluate summer school staffing challenges and offerings.
- C. Evaluate academic calendar to enhance student success, enhance job security for faculty, and impact of calendar changes on administration, business office, and student services.

The Study Group shall meet on a regular basis to enable the Group to prepare a report by September 1, 2016.

The report may suggest modifications in the Negotiated Agreement which would be subject to further negotiations and ratification by the Association Membership and the College Board. The Group shall, among other considerations, closely examine the impact of any proposed changes in the calendar and scheduling, on the eligibility status of members of WNCC Athletic teams, and the impact on any International students and their status as full-time students with reference to any Visa issues. The Study Group shall investigate and evaluate any other issues with reference to scheduling the academic year that are pertinent and related to changes in the academic year.
