

Jenni Benson, President

Maddie Fennell, NBCT, Executive Director

DATE: August 2022
TO: NSEA Local Treasurer
FROM: Sheri Jablonski, Comptroller
RE: IRS Form 990 Electronic Filing Requirement

All local associations are required to file an electronic notice with the IRS. This notice is for all local associations whose "gross receipts" for the fiscal year are normally less than \$50,000.

"Gross Receipts" includes dues money, interest, grants, donations, fundraisers, etc. It does not include pass through money that you collect on NSEA/NEA's behalf.

This notice is due by the 15th day of the fifth month after the close of your tax period. Your tax period ends August 31, 2022. This electronic notice is due by January 15, 2023.

If your organization's gross receipts are more than \$50,000 for the fiscal year beginning September 1, 2021 and ending August 31, 2022, you must file a form 990-EZ. Please contact our office for further instructions.

By completing the form below, NSEA will file the electronic form 990 on your behalf.

Please return this form along with your membership materials in the fall. Failure to file the electronic form will result in the loss of your tax-exempt status. Please contact me with any questions or concerns. I can be reached at 1-800-742-0047 or by e-mail at sheri.jablonski@nsea.org.
