

NSEA Children's Fund

Donations, Memorials & Honorariums

The NSEA Children's Fund, established in 1994, provides immediate assistance to students lacking basic necessities such as food, clothing, or shelter. Supported entirely by donations, the Fund helps ensure that no child's physical or emotional needs stand in the way of success at school.

You may make a contribution in memory of a loved one or in honor of someone who has made a special impact. An acknowledgment will be sent to the honoree or to the family of the person being remembered. Gift amounts will not be disclosed.

Your generosity helps Nebraska's children thrive—while honoring those who inspire you.
