

# NSEA Children's Fund Donation Form

---

*Established by the Nebraska State Education Association in 1994, the Children's Fund has already provided assistance to nearly 4,000 Nebraska children.*

*The generosity of Children's Fund donors has helped to pay for the medical needs of a child with spina bifida, provide assistance to a family whose home and belongings were destroyed by fire, purchase a bus ticket for a child with a disability thus providing her with the transportation needed to get to a sought-after work experience, and more.*

*As a 501c(3) corporation, your contributions to the NSEA Children's Fund are tax deductible. Won't you help a needy child today?*

*On behalf of all the children of Nebraska, we thank you.*
