Advocating for public education and educators for 157 years.

LEADER INSTRUCTIONS *for Just One.*

About Just One:

- To help us continue to advocate for all educators, NSEA asks each local to sign up at least ONE new member between January 1 and February 29, 2024. New members who join in January and February will pay the remaining portion of the association year's dues. That's about \$1.50 a day for the remainder of the membership year.
- Every new member who joins, and the member who enrolled them, will be entered into prize drawings!

For Local Associations:

- Every local that gains more than one member will receive \$50 to be used at the local level for a membership event of its choosing.

Keep Track!

- You'll be able to keep track of locals that have signed up at least one new member by checking the list online at www.nsea.org/Just-One

Next Steps:

- Make a plan for how you will reach out to all potential members. Engage in one-on-one conversations with potential members. This can be done by matching current members with a potential member they may know or assign building representatives to potential members. Explain the benefits of membership and share your reasons for joining.
- Host a member recruitment event, invite potential members to a local meeting or membership event. If you'd like to schedule a local event, contact your NSEA Organizational Specialist ASAP for help in planning.
- Record the one-to-one conversations at: www.bit.ly/NSEAOne-to-One. Contact your NSEA Organizational Specialist if you need assistance with this step.
- As soon as you receive new member forms send them to NSEA by fax, scan and email or by U.S. Mail. *Enrollment date must be between Jan. 1, 2024 and Feb. 29, 2024.*
- Contact your NSEA Organizational Specialist if you have any questions.

#ForwardTogether

Advocating for public education and educators for 157 years.

NSEA IS HERE FOR YOU.

Joining your professional association gives you a voice in decisions that affect your classroom and career. Your association supports you and your students.

NEW MEMBERS

Members who join in January and February will pay the remaining portion of the association year's dues. That's around \$1.50 a day for the remainder of the membership year! Plus, new members will be entered into prize drawings!

WHY JOIN?

- Joining the NSEA gives you a voice in decisions that affect your classroom and career. Whether pursuing change, speaking at school board meetings, seeking increased funding, or advocating for education with state elected officials, NSEA supports you and your students.
- NSEA has worked with our local associations to increase teacher salaries from 45th in the nation in 2001, to 31st in the nation in 2021-22. As a member, you can join in the efforts to promote professional pay, health care and retirement security.
- As a member, you join forces with fellow educators to make a difference in the social and racial justice issues that matter most to you and that affect your students' lives. The association works to achieve opportunities for all students and provides training to members to develop new teaching strategies.
- Because the liability potential can be so serious for public education employees, NEA provides all eligible association members with professional liability insurance through the NEA Educators.
