WHAT IS NSEA-ASPIRING EDUCATORS?

NSEA-Aspiring Educators is a student organization for undergraduate and graduate students pursuing careers in education. Part of the Nebraska State Education Association, it offers future educators opportunities for networking, professional development and advocacy.

IS IT EXPENSIVE?

Joining NSEA-Aspiring Educators is just \$40 a year—and that covers liability insurance while you're student teaching, plus tons of the same perks active teachers get.

ARE THERE LOCAL CHAPTERS?

Yes! Chapters of NSEA-Aspiring Educators are established at colleges and universities across Nebraska, collectively representing hundreds of members statewide!

WHAT'S THE NEA EEL PROGRAM?

It's professional liability insurance that's included with your NEA membership—basically, extra protection while you're student teaching so you're covered if something unexpected happens on the job.
