

2022-2023 LOCAL DUES REPORT | RETURN TO NSEA

Please enter your 2022-2023 local dues amounts and return to NSEA. If your local does not collect local dues, please leave the dues amount at zero.

Check here if you would like NSEA to start collecting your local dues (if we aren't already).

Local dues are direct deposited into the local's checking account on a monthly basis. The NSEA Accounting Department will contact you with additional information needed. No additional paperwork is needed if we are already collecting your local dues.
