ADDITIONAL INFORMATION:

NSEA membership is an annual membership beginning September 1 each year and ending August 31 of the following year. Members have the option to pay in full via check or credit card at the beginning of the association year or make ten payments from October to July using Electronic Funds Transfer.

Note to your members: if they do not let you know otherwise, we assume they are continuing their membership (as noted on their membership agreement).

Remember...Current EFT members' banking information will roll to the next year. They do not need to enter their banking information again. If members need to update their banking information or would like to switch their pay method to EFT from check/credit card they can do so at the secure website: www.nsea.org/members. Click on "Pay by Electronic Funds Transfer." Members may also contact the NSEA Membership/Accounting Office to make a change at 1-800-742-0047.

Check and credit card payees will pay their dues in full in the fall. A reminder e-mail to make the payment will be sent from NSEA to the member in August.

TIMELINE:

Week of April 1: Membership materials are mailed to locals.

(This date may be later if your bylaws have a date to notify of continuing membership after May 31.) **It is very important for every local to return their membership roster updates back to NSEA during the spring. August – September 10: Members paying by check or credit card will be asked to pay in full during this time. (**Total due by September 10.**)

September 10: Fall membership materials and new member agreements are due back to the NSEA Office. (More detailed instructions will be sent in the fall.)
