Exceptional support is always within reach.

Organizational specialists are your front-line contacts.

Your NSEA Organizational Specialist is your front-line contact for workplace questions and concerns. Assigned to specific districts and buildings, they know your local, your contract and the issues educators face every day.

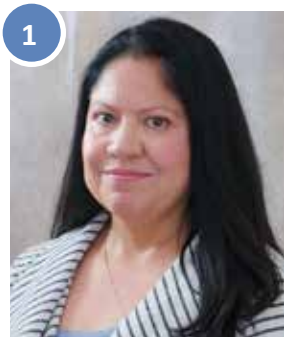

Organizational Specialists work with members at schools, ESUs and college campuses across Nebraska. Their knowledge of local districts, administrators, contracts and Nebraska school law allows them to answer questions, address concerns and advocate for members when workplace issues arise.

They are also experienced bargainers who work with local associations to secure competitive salaries, benefits and working conditions. Contact your Organizational Specialist for help with:

- Plan time and extra duty pay;
- Salary schedule placement;
- Reduction in Force notices; and contract cancellations;
- Evaluation responses;
- Teaching assignments and certificate renewal;
- District policy questions;
- Grievances;
- Personal, sick, family and medical leave; and much more!

Find your Organizational Specialist and their contact information on these pages, scan the QR code on page 13 for an interactive map, or call NSEA at 800-742-0047.
